

WASHINGTON, D.C. - Congressman Sam Farr (D-Carmel) attended the Thursday morning dedication ceremony for the new 9/11 Pentagon Memorial. He was joined by Norma Keleher from Pacific Grove, whose daughter was killed in the attack.

"Gathering to reflect on what happened that awful day seven years ago is a big part of coming to terms with our grief and fear," Rep. Farr said. "This ceremony and this memorial give us that chance, and I'm glad I was able to participate in today's ceremony."

Keleher's daughter, Suzanne Calley, was on Flight 77 when it was flown into the Pentagon. Calley was raised in Pacific Grove.

"I am proud of Norma Keleher for her support of the memorial and I'm glad she was able to travel to Washington and join us in dedicating this site," Rep. Farr said.

The \$22 million memorial was built along the path of Flight 77 before it crashed. It is made up of 184 benches, each inscribed with a victim's name.
